

Sport Works

JOB DESCRIPTION

Job Description & Outcomes

Post Title: Project Coordinator (Skills & Education)

Responsible to: Regional Director

Hours: 12 months fixed term contract, full time, with possibility of extension

Salary: £23,000 to £26,000

Package includes: Pension, laptop, mobile phone

Our Mission: About the Role

Sport Works has an excellent opportunity for a motivated and experienced Project Coordinator to manage our high quality educational programmes across the North East.

It is an exciting time to join Sport Works as we celebrate ten years in business and look forward to launching our ambitious three-year growth plan. Operating from ten sites across England, we are proud of the impact our work has on the health and education standards of individuals throughout the country. The Project Coordinator role is key to our improvement and growth in coming years.

Why the Role Exists

The Project Coordinator role will oversee and manage our educationally focused projects across the North East, increasing the number of people accessing Sport Works' programmes, improving educational standards and supporting learners into the labour market.

The role is tasked with managing and coordinating existing contracts, including direct line management responsibility for delivery staff, whilst leading the development of new, innovative programmes in line with funding initiatives.

The post involves constant communication with Sport Works staff and external stakeholders to ensure projects are structured effectively and delivered to the highest possible quality standards.

Outcomes: The role is tasked with achieving the following outcomes in the first 12 months:

- To effectively coordinate multiple projects and achieve the specific outcomes outlined in each contract
- Oversee the learner/participant recruitment plan as agreed in funding profile ensuring over 500 eligible learners are effectively enrolled onto our Skills/Education contracts by 31st March 2020*
- Manage ongoing relationships, to include operations and logistics, for multiple referral partners in line with contractual targets
- Line manage a team of educational tutors and sports coaches ensuring the highest standard of delivery which is consistent across all programmes
- Ensure the principles of sport, exercise and wellbeing are centrally integrated into all operational programmes with demonstrable health and wellbeing outcomes
- Coordinate logistics for delivery across multiple delivery sites, including staff rotas, venues and educational resources
- Design, manage and oversee a high-quality educational curriculum that is suitable for both learner and contractual requirements
- Ensure quality and compliance are of the highest quality and in line with contractual requirements, including liaison with colleagues relating to data and finance
- Undertake tutoring tasks when required
- Consistently meet monthly KPIs and score 90% or above at performance reviews
- Ensure customer satisfaction rates are consistently above 95%
- Provide monthly contract reviews to the Regional Director
